Northside Transit Center

Vandalia Point

Pullan & Langland

Chase & Kirby

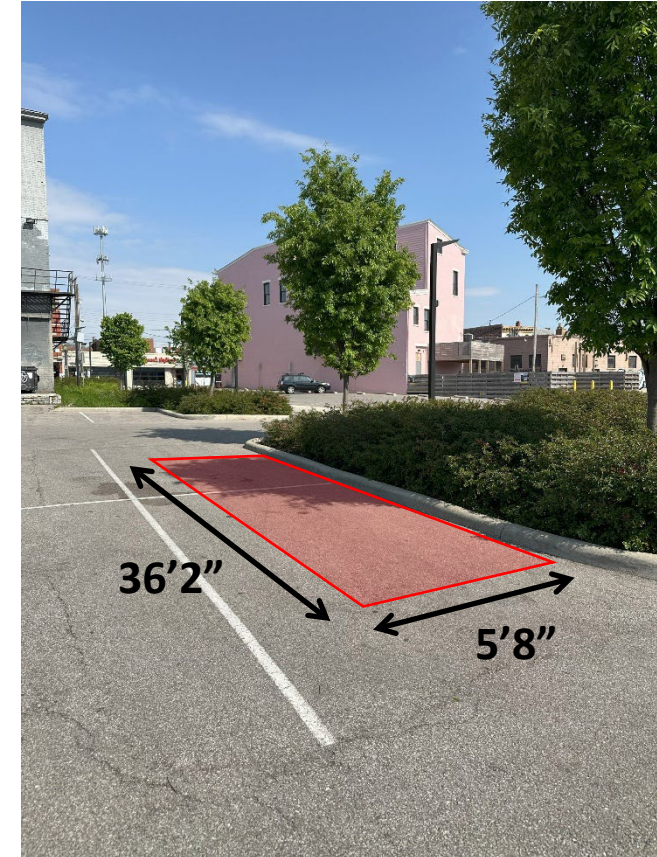

Northside

Red Bike believes relocation of the Hoffner Park station to the Transit Center is the best use of current equipment. However, this should result in a smaller 3.0 station located at Vandalia Point to preserve traditional access and activate the residents of that housing.

Additional stations attempt to address the lack of connectivity of these areas to the existing fixed route transit lines and center and strengthen the ability to connect neighbors.

Northside Transit Center

Single sided 1.5
Big baseplates
13D Solar or AC
Needs bollards

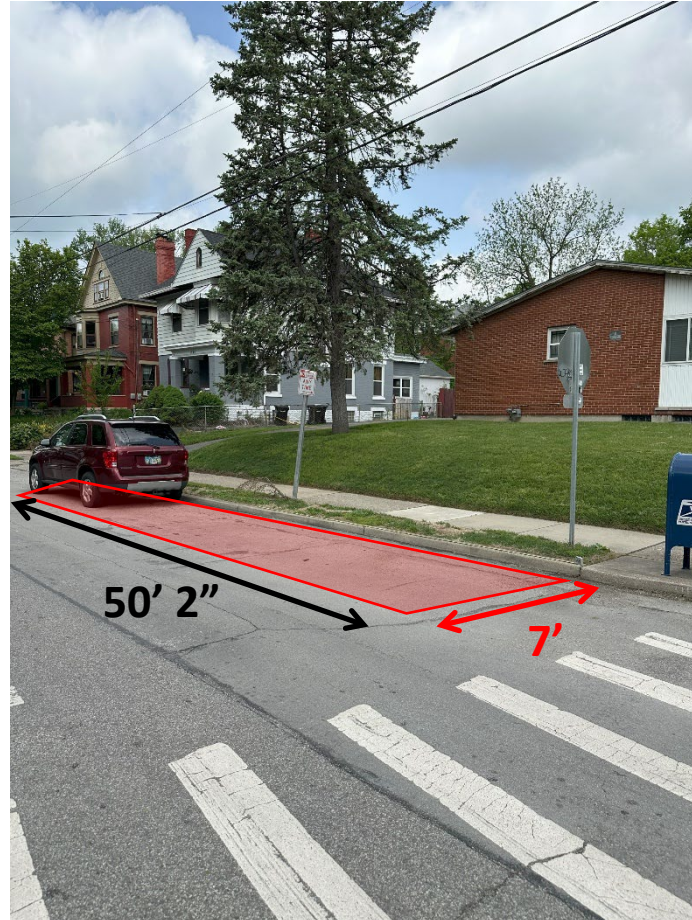

Vandalia Point

- Eight 3.0 docks
- One Wayfinding Kiosk

Pullan & Langland

- Minimum Six 3.0 docks
- One Wayfinding Kiosk
- Below grade, will take one parking spot
- Needs Bollards & Armadillos

Chase & Kirby

- Six 3.0 docks
- Diagonal set
- On two opposing corners
- One Wayfinding Kiosk
